International Society for Prosthetics and Orthotics**
July 28 - August 3, 2007, Vancouver, Canada

The ISPO Triennial World Assembly

I am writing to invite you as an ISPO Member to attend your Society's World Assembly.

The ISPO World Assembly takes place once every three years, normally at the time of the World Congress. The Assembly is the only forum where all ISPO Members have the opportunity to meet together to discuss activities and latest developments in the Society. We always anticipate that the World Assembly will be a celebration of success.

ISPO exists to serve you as a Member. Also, on your behalf, ISPO is dedicated to improving the lives of all people with disabilities throughout the world. The Executive Board works hard to serve the Society under the direction of the International Committee, which consists of representatives of all National Member Societies. As a Member of ISPO, you will receive information from various sources; for example, through your National Member Society, from Prosthetics and Orthotics International, and through the new ISPO web page (www.ispo.ws).

Once every three years, at the World Assembly, you receive a report directly from the President and have the opportunity to ask questions and offer your suggestions. Furthermore, you will witness the departure of the outgoing Executive Board and welcome new Board Members who have been elected by the International Committee. By being at the meeting you are showing your support for the efforts of the Executive Board and your encouragement to new Board Members to continue to strive on your behalf.

You are cordially invited to participate in the World Assembly. Your presence is important to the Society and hopefully you will find the experience interesting and informative. The Executive Board looks forward to your participation and continued support for the coming triennium.

The ISPO Triennial World Assembly will be held on Thursday 2nd August 2007 at 1.30pm.
Please join us!

I look forward to seeing you in Vancouver.

Kindest regards,

Brendan McHugh
Honorary Secretary
